"Remember those in prisons as if you were their fellow prisoner" Heb. 13:3 NJV

Greetings Chaplain / Superintendent / Warden:

United Prison Ministries International is pleased to offer once again, **Bible Questions Answered** (64 pages) free of charge to each inmate in prison in the United States. This book is a non-denominational Bible based book put together by both Protestant and Catholic writers. **Bible Questions Answered** is available in both English and in Spanish.

By popular demand, UPMI is also offering a second book called the **Desire of Ages** free of charge to all inmates in prison in the U.S.A. This 487-page book is the best book on the life of Christ that has ever been published. In 1999, UPMI distributed this book to millions of inmates with the approval of the ACA. Both books have been reviewed and approved by the American Correctional Association as positive life changing materials for inmates.

Hundreds of concerned and caring citizens in your area have made contributions to place these life changing books in the hands of each inmate in your prison **Free of Charge**, including shipping. **These books will make an excellent holiday gift for each inmate.** Order Now! We can ship them to you so you can place them in inmates' hands for Christmas.

To receive a copy for each inmate, please complete the following form, fax it to 205-755-4774 or mail this form to UPMI, P. O. Box 8, Verbena, AL. 36091. We pay the shipping and handling cost. Upon request we can provide stated value to meet the state and / or federal rules.

Remember: We have a book for every inmate.

In His Service,

**See our website for more information about the books
