"Remember those in prisons as if you were their fellow prisoner" Heb. 13:3 NJV

Dear Faith Partner;

FROM THE CHAPLAIN'S CORNER

Continue to pray with us as we endeavor to plant the seed of God's Word in the hearts of men and women in the Prison systems around the world. It has been our privilege to share more than 65 million truth filled books, Bible lessons, and Bibles in the 3 thousand US prisons and in more than 14 other countries, all because of your faithfulness in this partnership. We would like to take this time to encourage you to renew your commitment to support this work. We accept that without faith in the power of God's Word, we can do nothing. We believe with faith in the power of God's Word, we can do all things. We know God uses all of our partners in faith to accomplish this work.

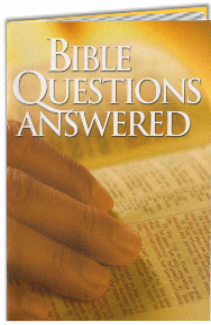

The fruit of the seed planted for the last 25 years is showing up in church congregations all over the country. Those who have read the books and studied the lessons are looking for, **the people of the Book**. We are now prepared to develop "thexoffender" (*ones who once offended the Law of God and the Land, but no longer*) friendly Home, friendly Church and friendly Community which is the natural next step in this soul winning movement. We understand one is responsible to plant the seed (the ministry behind prison walls), another waters the seed planted (the nurturing of the local church) and it is the responsibility of God to add the increase.

Thank you again for what you have allowed our Lord Jesus, the Word of God to do through you in the past, and what He is doing through you now and what He is commissioning you to do in your future support to His work of ministering to the least of these our brethren.

Remember faith is responsibility, our response to God's ability.

The season has come again, when wardens and chaplains in all 50 States are asking UPMI for books to be distributed to their inmates. The books for this year is **“Bible Questions Answered”** and **“The Desire of Ages”**.

There are over **Two Million (2,000,000)** inmates in Prison. The cost for shipping and handling is about \$1.00 per book. **We are asking you and your church members to give liberally**, so we can fulfill the many requests as we have done in the years past.

\$1000, \$500, \$100 will greatly expedite this project, but know that every dollar counts.

Daniel, Pennsylvania

“I am writing in response to a book I am reading called, ***The Desire of Ages***. I have been in and out [of prison] for over 5 years. I have always turned to God when I’m in prison, but when I leave, I always turn to temptation. This book is beginning to show me new insight in the Bible about certain things in my life... With God I will try to gain wisdom and strength to overcome my sinful ways... I study the Bible and search for hours for hope in these troubling moments of my life. I always find comfort in what the Lord has to say. Thank you for caring.”

Frank, New York

“About a month ago I received two books from you, ***The Desire of Ages*** and the *Promise Edition Bible*. I thank you for taking your time to send them to me. I have grown closer to Jesus Christ our Savior—thanks to these words of encouragement. They came at the right time; and right when I thought all hope was lost.”

Victor, Kentucky

“I received the book you sent to me, ***Bible Questioned Answered***. It will remain with me in my life as I study my Bible and grow in Christ. I’ve been truly blessed in treasures from Heaven in the learning materials you sent to me. I am in prison for life... I thank you for reaching out to thousands of prisoners worldwide. Please send whatever you can to one of my fellow inmates who are also searching for truth.”

Did you know for every book received by an inmate, it is read by at least 10 others?
